**Silent Hero Recognition**

Have you ever had someone make your day? Our mysterious silent hero did just that to me, not once, but several times. I also learned that this silent hero not only did it to me, but to many of our parishioners. We are very fortunate to have someone in our midst that cares and makes the effort to send out many cards to our parishioners during the Covid-19 pandemic. So many want to thank you, but we have no idea who you are. We do want you to know mystery hero, that we had lots of fun in trying to find out who you were. Several parishioners would mention on Facebook that they received a card would post a picture of the card. That would be a "heads-up" for the rest of us to be on the look out for ours. The excitement would build. The messages were about the same, a very meaningful saying, "miss you." No signature. We would then throw out names of who it might be. We even included clues! Over time, one by one each name was eliminated as our guesses were receiving cards also. To our silent mystery hero, you brought us so much fun, excitement, and joy. You gave us many smiles and beautiful days during some bleak dark times and we just want to thank you for caring. **You** made a difference! We are so blessed to have **you** in our parish. May our Lord richly bless **you**.

PS - mystery hero, please tell me who you are, PLEASE.
